EXECUTIVE SUMMARY

Detail-oriented final-year Bachelor of Computer Applications (BCA) student specializing in Artificial Intelligence and Machine Learning, with a strong foundation in programming, data analytics, and web technologies. Passionate about Front-End Development with hands-on experience building responsive and user-friendly interfaces. Adept at applying AI/ML concepts to real-world problems, with exposure to database systems and software development workflows. Seeking an opportunity to contribute technical skills in a dynamic IT or software development environment while growing as a developer.

TECHNICAL SKILLS

- HTML, CSS, JavaScript, Bootstrap, Python Flask
- C, C++, Python, Java
- MongoDB, MySQL
- Tools: VS Code, Excel, MS Word

PROJECTS

AI Based Healthcare Data Leakage Prevention System Using ML and Behavioral Analysis

- Developed an AI-based Healthcare Data Leakage Prevention System using Flask, integrating secure OTP-based authentication and real-time monitoring.
- Implemented Random Forest for risk prediction and Isolation Forest for anomaly detection, enabling classification of access into Low, Medium, and High risk levels.
- Designed a hybrid risk scoring system with federated learning simulation to enhance data privacy and improve detection of suspicious user behavior.

E Banking System

- Built a dynamic web application with HTML, CSS, JavaScript, and PHP.
- Developed secure login/logout features with session management.
- Designed & managed MySQL database with CRUD operations for user and service records.
- Ensured responsive design and cross-browser compatibility.

Fall Detection System For Senior Citizen

- Designed and implemented a fall detection system using accelerometer & gyroscope sensor data.
- Applied ML algorithms (SVM, Decision Tree) for classification and real-time fall prediction.
- Integrated alert mechanism to notify caregivers during emergencies.

EDUCATION

Bachelor of Computer Application

2023 - PRESENT

Vellore Institute of Technology, Vellore

- Specialization in AI & ML | Final CGPA: 9.2

Higher Secondary Education

2021-2023

Kurumathur GVHSS, Kannur, Kerala

- Percentage: 98.9%

LANGUAGE

- Malayalam (Native)
- English (Fluent)
- Tamil (Basic)
- Hindi (Basic)
